Valley Oil Company offers many products and services to our customers. Our products include all grades of unleaded gasoline, as well as clear diesel for vehicles, red dye diesel for use in generators and off-road equipment, and multiple grades of biodiesel. We offer a wide variety of services, from wet-hosing equipment on construction sites, to re-fueling of generators for Bay Area businesses. Valley Oil Company's fleet of trucks range in size from pickups and flatbeds to bobtails and truck and trailers, and deliver around-the-clock to service stations and trucking companies. We also carry storage tanks, drums, pumps, and containment bins.

Valley Oil Company offers a wide variety of lubricants, available for pick-up or delivery, in quantities ranging from cases and five gallon pails, to 55 gallon drums. We also deliver bulk oil to your on-site storage tanks, as well as other specialty products.
